friend to join with you!!**

***Remember memberships run on a
yearly basis from 10/1 to 9/30 of the
following year***

Now is a good time to make sure your sled is ready for the riding season. Take the time to properly check over your sled before going out. Make sure the brakes are in good working order, the lights all function correctly, the track is not torn or any studs are loose, and your skags are not worn out. Spend a little time now to make your ride safe and enjoyable!!
